

Monthly Diary of Events

Following the lifting of restrictions due to Covid-19, many u3a groups are now restarting meetings at the URC and other venues around the town. However, some groups are still employing on-line meetings using Zoom.

Please contact individual Group Organisers to see if this is applicable to the group(s) you belong to, and if so, how to participate in them.

Until such time as SAGE, and the full diary of events, resume publication, information regarding the date, time, and location of meetings will be provided on the individual group pages on the website and by way of the Sunday evening email.
